

# DEEP IN THE DELTA

(Private 3-Day Cruise)  
Cai Be - Sa Dec - Chau Doc

- Authentic scenes of the Mekong Delta
- Cruise past monkey bridges and narrow canals

- Unique photo opportunities
- Discover local handicrafts

## ITINERARY

### DAY 1 - CAI BE - SA DEC

Your journey starts from Phu An Jetty at 10:00 am. Begin with a bicycle ride around this remote countryside area, ending up at Le Longanier Restaurant. Lunch is served in this exquisite colonial-style villa set in a lush tropical garden by the river.

After lunch, start your leisurely cruise on the Delta's beautiful waterways, with stops along the way to explore local cottage industries that provide a living for the river people.

Before arriving at Sa Dec, visit a traditional brick factory where everything is made by hand.

Arriving at Sa Dec, step ashore and stroll to the outdoor market. Visit the historic house of the real-life character in the acclaimed novel and film "The Lover" by Marguerite Duras. Dinner is served at a local house. The owner welcomes you and a candlelit dinner is served in this authentic environment. Enjoy your first night on board the Song Xanh on the Mekong River.

### DAY 2 - SA DEC - LONG XUYEN - PHU TAN

Breakfast is served on board while you cruise towards Long Xuyen along a narrow canal, passing several scenic monkey bridges.

After enjoying lunch on board, arrive in Long Xuyen to visit Tiger Island, birthplace of Vietnam's second president. Return to the sampan for dinner and resume your cruise towards Chau Doc.

Your boat sails until approximately 10:00 pm before anchoring for the night. Overnight on board.

### DAY 3 - PHU TAN - CHAU DOC

Breakfast is served on board while your sampan cruises towards Chau Doc. Close to the border with Cambodia, Chau Doc is the gateway to Phnom Penh. Known throughout Vietnam for its pagodas and temples, Chau Doc is also famous for the Tra Su Bird Sanctuary, a superb eucalyptus mangrove. Disembark at Victoria Chau Doc private pier at approximately 10:00 am.

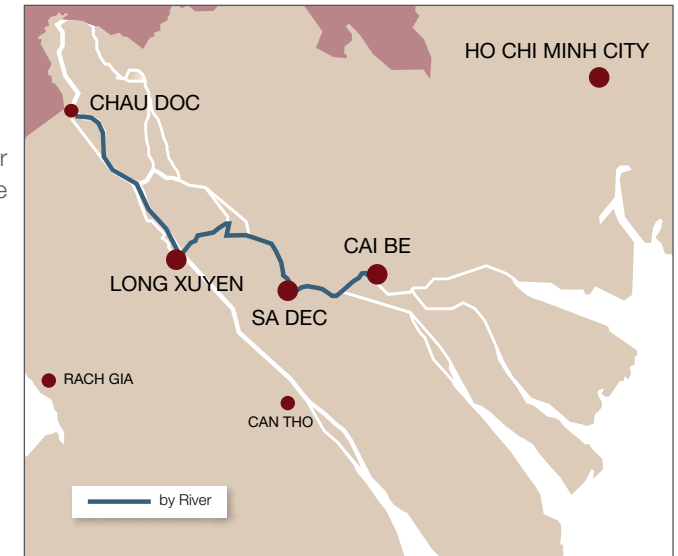

*\*Note: Actual itinerary may vary depending upon river tide, arrival time or other conditions.*
