ITINERARY

DAY 1: CAN THO - CAI RANG - SON ISLET

Meet us at the Victoria Can Tho Resort jetty at 10:00 am. Your crew welcomes you on board with cold towels and a refreshing drink as you get settled. From your private sampan, observe life as it plays out on shore - people going about their daily activities against picturesque landscapes, passing local barges laden with produce from the region - while your attentive crew serves tea and seasonal fruit.

Your sampan sails as you enjoy lunch on board, with the mighty Hau River as a backdrop, one of the two largest arms of the Mekong. After lunch, stop for the first shore excursion involves a visit to a small brick factory and a vegetable garden. Enjoy exploring the picturesque waterways around the village with a trip on a small row boat.

Return to the sampan for dinner. Enjoy your first night on board your sampan as it moors on the Mekong River.

DAY 2: SON ISLET - PHONG HOA - SA DEC

Enjoy an early breakfast on board at around 7:00 am. Stop for the visit of Cao dai temple before cruising towards the charming town of Sa Dec along narrow canals, passing under several monkey bridges and past peaceful villages. Lunch is served on board.

Arriving at Sa Dec, step ashore and stroll through the colorful outdoor market. Visit the historic house of the real-life character in the acclaimed novel and film "The Lover" by Marguerite Duras. A candlelit dinner awaits at this dramatic house. Enjoy your second night on board the Song Xanh, on the Tien River.

DAY 3: SA DEC - CAI BE

We begin cruising in the early morning hours at about 6:30 am, just as the villages begin to stir and children get ready for school. After a leisurely breakfast on board, step ashore to visit local cottage industries that utilize products from the Delta like rice and coconuts to make tasty snacks including puffed rice and chewy coconut candy.

Our cruise ends at Le Longanier Restaurant. A lunch is served in this exquisite colonial-style villa set in a lush tropical garden by the river and surrounded by fruit plantations, a throwback to the elegant lifestyle enjoyed by a privileged life in Indochinese times.
